# THE BMW 3 SERIES SALOON. THE BMW 3 SERIES TOURING.

**BMW EFFICIENTDYNAMICS.**  
LESS EMISSIONS. MORE DRIVING PLEASURE.

THE NEXT  
100 YEARS

In 2016 the BMW brand will be celebrating its 100th anniversary. Find out more at [www.next100.bmw](http://www.next100.bmw)

## WANT TO DISCOVER MORE?

Discover the BMW 3 Series Saloon and Touring in a digital, interactive setting, with videos and image galleries. Simply download the BMW brochures app for your device and select the desired model.

Depending on your mobile phone contract, you may incur additional costs for accessing the Internet.

**THE BMW 3 SERIES SALOON.  
THE BMW 3 SERIES TOURING.  
SHEER DRIVING PLEASURE. PEERLESS.**

## THE MODELS SHOWN.

**04 BMW 3 SERIES SALOON 340i WITH SPORT LINE:**  
BMW TwinPower Turbo 6-cylinder in-line petrol engine, 240 kW (326 hp), 19" light alloy wheels Star-spoke style 407, Mediterranean Blue metallic exterior colour, seats with Dakota leather upholstery in Oyster with Oyster dark highlights, interior trim finishers in Aluminium, finely brushed lengthwise, with highlight trim finishers in Black high-gloss.

**BMW 3 SERIES TOURING 330d WITH LUXURY LINE:**  
BMW TwinPower Turbo 6-cylinder in-line diesel engine, 190 kW (258 hp), 18" light alloy wheels V-spoke style 658, Platinum Silver metallic exterior colour, seats with Dakota leather upholstery in Saddle Brown with Brown highlights, Ash Grain fine-wood trim with metal inlay and highlight trim finishers in Pearl Chrome.

**BMW 3 SERIES SALOON 330e iPERFORMANCE WITH LUXURY LINE:**  
BMW TwinPower Turbo 4-cylinder petrol engine and electric motor with a system output of 185 kW (252 hp), 18" light alloy wheels Turbine style 415, Glacier Silver metallic exterior colour, seats with Dakota leather upholstery in Oyster with Oyster dark highlights, Fineline Anthracite fine-wood trim with highlight trim finishers in Pearl Chrome.

For further information on fuel consumption and CO<sub>2</sub> emissions see pages 54155 and 56157 or contact your BMW partner.

## INNOVATION AND TECHNOLOGY.

- 22 BMW TWIN POWER TURBO ENGINES:**  
At the heart of BMW EfficientDynamics.
- 24 BMW EFFICIENT DYNAMICS:**  
Making fuel saving fun.
- 26 BMW CONNECTED DRIVE:**  
Services & Apps and Driver Assistance.
- 28 CHASSIS:**  
Innovative systems for more driving pleasure.
- 29 SAFETY:**  
Advanced technology at your service.

## INDIVIDUALITY AND ADAPTABILITY.

- 32 EQUIPMENT:** BMW Lines and M Sport package, BMW Saloon with eDrive, BMW Individual, equipment highlights, wheels and tyres and Original BMW Accessories.
- 50 COLOURS:** Exterior and interior colours.
- 54 TECHNICAL DATA:** Weight, engine, transmission, performance, fuel consumption, wheels and dimensioned drawings.
- 58 BMW SERVICE:** BMW Service, BMW Financial Services and the BMW brand experience.

# SPORT- LIFE- BALANCE.

**Joy has many faces.** The most exciting one is reflected in the BMW 3 Series and its breathtakingly sporting design. Clever functionality that not only makes life easier, but creates room for unlimited enjoyment. Driving fun that outlasts every straight, bend, trip through town or long-weekend getaway. Wherever you go – the destination is joy. Let yourself be carried away. Discover the BMW 3 Series!

---

## READY, SET, JOY!

**40 years of sheer driving pleasure.** The long bonnet, wide stance and short overhangs of the BMW 3 Series Saloon spell it out for all to see: here comes a true performer. The driving experience is convincing from the get-go: at 240 kW (326 hp), the TwinPower Turbo engine in the BMW 340i, mated to the 8-speed Steptronic transmission, makes this athlete sprint from 0 to 100 km/h in only 5.1 seconds, while the 340i xDrive takes just 4.9 seconds. As the acceleration pushes you into your seat, you will come to realise: in the BMW 3 Series, euphoria is only the beginning.

---

---

## THE MOST BEAUTIFUL LINES ARE REFLECTED IN YOUR FACE.

**Euphoria from the start.** All aspects of the BMW 3 Series are designed to turn every drive into a special event. Especially luxurious due to a high standard of materials and workmanship. Especially elegant, with the optional ambient lighting providing a tasteful illumination of the cabin. And especially comfortable, with the slightly angled centre console and driver assistance systems like the optional BMW Head-Up Display making every drive not just more enjoyable but also safer. Once you've sat down behind the wheel, you won't want to leave.

---

FRANCIS ST

STOP

M CV 1143

---

## PROMISES. MADE REAL.

**Functional dynamism.** The BMW 3 Series Touring confidently demonstrates how sporting everyday usability can be – when it's designed by BMW. The front, sides and rear combine to create a harmonious whole, with classic Touring proportions and an imposingly broad stance. The LED taillights and round twin headlights as well as the dynamic front and rear aprons emphasise this effect. The result not only looks great, it also ensures outstanding road illumination at all times of the day and night.

---

---

## THE PERFECT MEASUREMENT: 40/20/40.

**Sometimes a small movement is enough to gain a surprising amount of space.** With its optional comfort access function enabling no-touch opening and closing of the tailgate, the BMW 3 Series Touring makes it easy to rise to big challenges. The Touring simply adapts to your individual requirements. One example is the generously-sized cabin with a 40:20:40-split rear seat backrest as well as a separately opening rear window to quickly stow away smaller items.

---

---

## A REAL THOROUGHbred.

**Three times an athlete.** Whether as a Touring, Saloon or plug-in hybrid: the BMW 3 Series does not compromise and is a winner in every discipline. It effortlessly combines athleticism, efficiency and lifestyle with clever functionality and a design that signals a forward urge and a dynamic spirit, even when the car is at rest. But it shows its true talent on the road, turning every drive into an experience of sheer bliss. Ready when you are: the BMW 3 Series.

---

---

## EVERY MOVEMENT HAS A DRIVE. THIS ONE HAS TWO.

**Compelling dynamism and impressive efficiency.** The BMW 3 Series Saloon with eDrive enables you to experience both. The electric motor produces an output of 65 kW and is able to drive the vehicle by itself, for up to 40 km and at speeds of up to 120 km/h, without generating local emissions. In tandem with the 135 kW of the internal combustion engine, it takes just 6.1 seconds to accelerate the car from 0 to 100 km/h – providing a fun-filled driving experience with very little fuel consumption.

---

## INNOVATION AND TECHNOLOGY.

**BMW TWIN POWER TURBO ENGINES:** At the heart of BMW EfficientDynamics.

**BMW EFFICIENT DYNAMICS:** Making fuel saving fun.

**BMW CONNECTED DRIVE:** Services & Apps and Driver Assistance.

**CHASSIS:** Innovative systems for more driving pleasure.

**SAFETY:** Advanced technology at your service.

## BMW TwinPower Turbo engines. At the heart of BMW EfficientDynamics.

Thanks to BMW TwinPower Turbo technology, the innovative new generation of BMW petrol and diesel engines from the BMW EfficientDynamics engine range can deliver an agile performance and excellent responsiveness even at low engine speeds, all while being exceptionally fuel efficient and low in emissions. Increased efficiency and optimal dynamics guarantee noticeably more intense driving pleasure.

### BMW 318i Saloon//Touring.

- BMW TwinPower Turbo 3-cylinder petrol engine with 100kW (136hp) and 220 Nm torque
- Acceleration 0–100 km/h: 8.9 sec//9.2 sec; top speed: 210 km/h//210 km/h
- Combined fuel consumption: 5.1–5.5 l/100 km<sup>1</sup>//5.4–5.9 l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 119–129 g/km<sup>1</sup>//126–137 g/km<sup>1</sup>

### BMW 320i/320i xDrive Saloon//Touring.

- BMW TwinPower Turbo 4-cylinder petrol engine with 135 kW (184 hp) and 290<sup>3</sup> Nm torque
- Acceleration 0–100 km/h: 7.2 sec//7.5 sec//7.5 sec//7.7 sec; top speed: 235 km/h//232 km/h//230 km/h//225 km/h
- Combined fuel consumption: 5.5–5.9 l/100 km<sup>1</sup>//6.4–6.8 l/100 km<sup>1</sup>//5.9–6.3 l/100 km<sup>1</sup>//6.8–7.3 l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 128–138 g/km<sup>1</sup>//149–159 g/km<sup>1</sup>//137–147 g/km<sup>1</sup>//159–169 g/km<sup>1</sup>

### BMW 330i/330i xDrive Saloon//Touring.

- BMW TwinPower Turbo 4-cylinder petrol engine with 185 kW (252 hp) and 350 Nm torque
- Acceleration 0–100 km/h: 5.9 sec//[5.8] sec//6.0 sec//[6.0] sec; top speed: 250 km/h<sup>2</sup>//[250] km/h<sup>2</sup>//250 km/h<sup>2</sup>//[250] km/h<sup>2</sup>
- Combined fuel consumption: 6.1–6.5 l/100 km<sup>1</sup>//[5.9–6.2] l/100 km<sup>1</sup>//6.4–6.7 l/100 km<sup>1</sup>//[6.2–6.5] l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 143–151 g/km<sup>1</sup>//[138–144] g/km<sup>1</sup>//149–157 g/km<sup>1</sup>//[144–152] g/km<sup>1</sup>

### BMW 340i/340i xDrive Saloon//Touring.

- BMW TwinPower Turbo 6-cylinder in-line petrol engine with 240 kW (326 hp) and 450 Nm torque
- Acceleration 0–100 km/h: 5.2 sec//5.0 sec//[5.1] sec//[5.0] sec; top speed: 250 km/h<sup>2</sup>//250 km/h<sup>2</sup>//[250] km/h<sup>2</sup>//[250] km/h<sup>2</sup>
- Combined fuel consumption: 7.4–7.7 l/100 km<sup>1</sup>//7.7–7.9 l/100 km<sup>1</sup>//[6.8–7.0] l/100 km<sup>1</sup>//[7.2–7.6] l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 172–179 g/km<sup>1</sup>//179–185 g/km<sup>1</sup>//[158–164] g/km<sup>1</sup>//[168–176] g/km<sup>1</sup>

### BMW 330e iPerformance Saloon.

- BMW TwinPower Turbo 4-cylinder petrol engine and electric motor with a system output of 185 kW (252 hp) and 420 Nm system torque
- Acceleration 0–100 km/h: [6.1] sec; top speed: [225] km/h; electric top speed: [120] km/h
- Combined fuel consumption: [1.9–2.1] l/100 km
- Combined CO<sub>2</sub> emissions: [44–49] g/km

### BMW 316d Saloon//Touring.

- BMW TwinPower Turbo 4-cylinder diesel engine with 85 kW (116 hp) and 270 Nm torque
- Acceleration 0–100 km/h: 10.7 sec//11.2 sec; top speed: 205 km/h//200 km/h
- Combined fuel consumption: 3.9–4.3 l/100 km<sup>1</sup>//4.1–4.6 l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 102–113 g/km<sup>1</sup>//109–120 g/km<sup>1</sup>

### BMW 318d/318d xDrive Saloon//Touring.

- BMW TwinPower Turbo 4-cylinder diesel engine with 110 kW (150 hp) and 320 Nm torque
- Acceleration 0–100 km/h: 8.6 sec//8.8 sec//8.9 sec//9.2 sec; top speed: 215 km/h//212 km/h//210 km/h//206 km/h
- Combined fuel consumption: 4.0–4.4 l/100 km<sup>1</sup>//4.5–4.8 l/100 km<sup>1</sup>//4.3–4.6 l/100 km<sup>1</sup>//4.7–5.1 l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 106–116 g/km<sup>1</sup>//117–127 g/km<sup>1</sup>//112–122 g/km<sup>1</sup>//123–133 g/km<sup>1</sup>

### BMW 320d/320d xDrive Saloon//Touring.

- BMW TwinPower Turbo 4-cylinder diesel engine with 140 kW (190 hp) and 400 Nm torque
- Acceleration 0–100 km/h: 7.3 sec//7.4 sec//7.6 sec//7.6 sec; top speed: 235 km/h//233 km/h//230 km/h//228 km/h
- Combined fuel consumption: 4.0–4.4 l/100 km<sup>1</sup>//4.4–4.8 l/100 km<sup>1</sup>//4.3–4.7 l/100 km<sup>1</sup>//4.7–5.0 l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 106–116 g/km<sup>1</sup>//116–126 g/km<sup>1</sup>//113–123 g/km<sup>1</sup>//123–133 g/km<sup>1</sup>

### BMW 320d EfficientDynamics Edition Saloon//Touring.

- BMW TwinPower Turbo 4-cylinder diesel engine with 120 kW (163 hp) and 400 Nm torque
- Acceleration 0–100 km/h: 7.9 sec//8.2 sec; top speed: 230 km/h//222 km/h
- Combined fuel consumption: 3.9–4.3 l/100 km<sup>1</sup>//4.1–4.5 l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 102–113 g/km<sup>1</sup>//107–118 g/km<sup>1</sup>

### BMW 325d Saloon//Touring.

- BMW TwinPower Turbo 4-cylinder diesel engine with 165 kW (224 hp) and 450 Nm torque
- Acceleration 0–100 km/h: 6.5 sec//6.7 sec; top speed: 245 km/h//240 km/h
- Combined fuel consumption: 4.6–4.9 l/100 km<sup>1</sup>//4.9–5.2 l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 121–129 g/km<sup>1</sup>//129–137 g/km<sup>1</sup>

### BMW 330d/330d xDrive Saloon//Touring.

- BMW TwinPower Turbo 6-cylinder in-line diesel engine with 190 kW (258 hp) and 560 Nm torque
- Acceleration 0–100 km/h: [5.6] sec//[5.3] sec//[5.6] sec//[5.4] sec; top speed: [250] km/h<sup>2</sup>//[250] km/h<sup>2</sup>//[250] km/h<sup>2</sup>//[250] km/h<sup>2</sup>
- Combined fuel consumption: [4.9–5.0] l/100 km<sup>1</sup>//[5.2–5.3] l/100 km<sup>1</sup>//[5.1–5.3] l/100 km<sup>1</sup>//[5.4–5.5] l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: [129–131] g/km<sup>1</sup>//[137–139] g/km<sup>1</sup>//[135–138] g/km<sup>1</sup>//[142–145] g/km<sup>1</sup>

### BMW 335d/335d xDrive Saloon//Touring.

- BMW TwinPower Turbo 6-cylinder in-line diesel engine with 230 kW (313 hp) and 630 Nm torque
- Acceleration 0–100 km/h: [4.8] sec//[4.9] sec; top speed: [250] km/h<sup>2</sup>//[250] km/h<sup>2</sup>
- Combined fuel consumption: [5.4–5.5] l/100 km<sup>1</sup>//[5.6–5.7] l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: [143–145] g/km<sup>1</sup>//148–151 g/km<sup>1</sup>

<sup>1</sup> Fuel consumption is dependent on the selected tyre size and optional equipment. For further information on fuel consumption and CO<sub>2</sub> emissions see pages 54 | 55 and 56 | 57 or consult your BMW partner.

<sup>2</sup> Electronically limited.

<sup>3</sup> Torque for 320i with Steptronic transmission and 320i xDrive: 270 Nm.

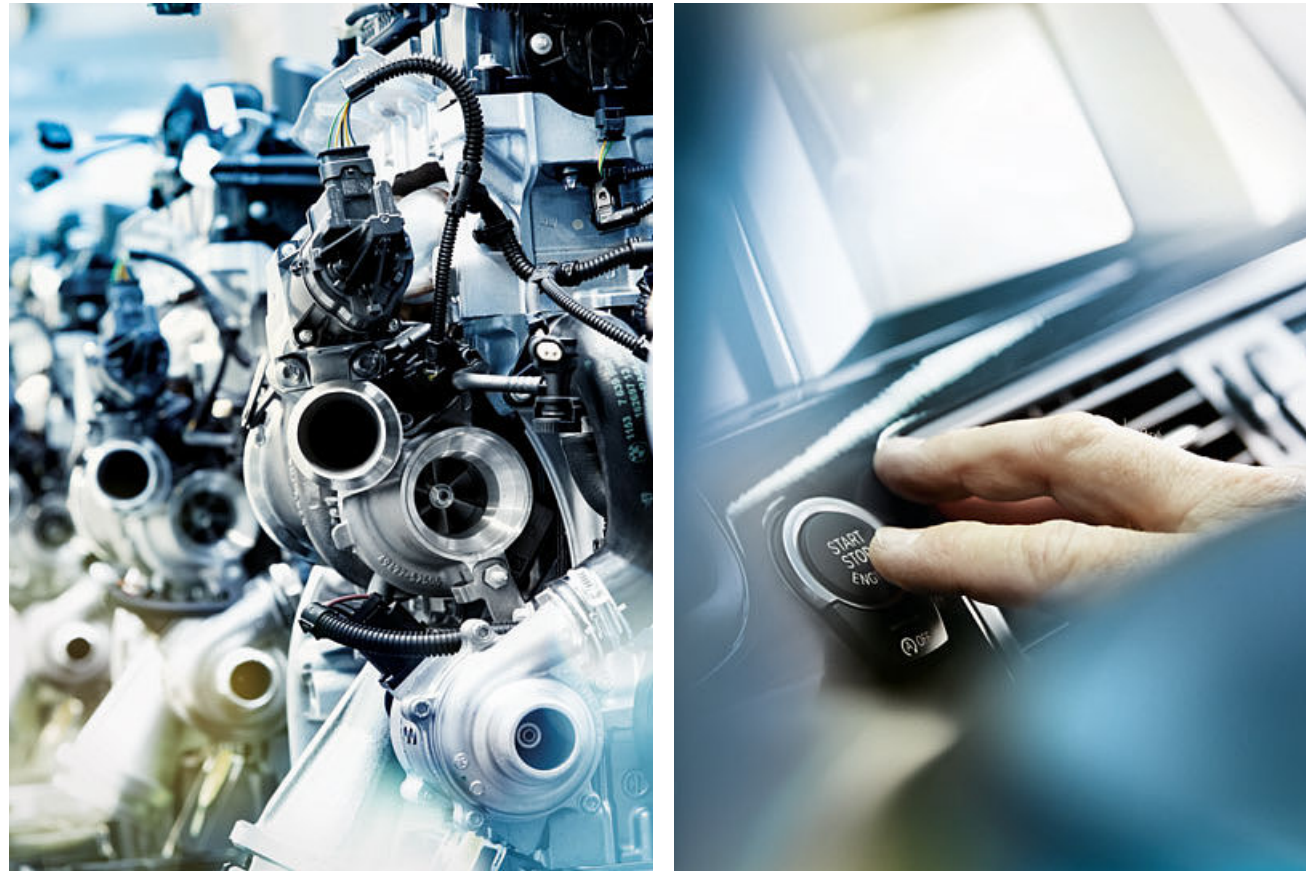

The quoted performance, fuel consumption and CO<sub>2</sub> emissions figures are for vehicles with standard transmission. Values in [ ] are for vehicles with Steptronic transmission.

## BMW EfficientDynamics

### Less emissions. More driving pleasure.

Whether the goal is maximum performance or minimum fuel consumption – for BMW, the focus is always on delivering quintessential BMW driving pleasure. BMW EfficientDynamics is the strategy developed by BMW to minimise fuel consumption and CO<sub>2</sub> emissions while simultaneously increasing dynamics and driving pleasure. It is a comprehensive technology package that encompasses the engine, energy management, lightweight construction and aerodynamics – and it comes with every BMW.

#### SPORTY AND EFFICIENT: THE 8-SPEED STEPTRONIC TRANSMISSION.

The **8-speed Steptronic transmission** ensures particularly smooth gearshifts and outstanding driving comfort, thanks to fast engine speed transitions and tightly spaced gear ratios. It unites superb comfort with impressive dynamics and increased fuel efficiency.

#### THE BMW 320d EFFICIENT DYNAMICS EDITION.

The **BMW 320d EfficientDynamics Edition** with BMW TwinPower Turbo 2.0-litre 4-cylinder diesel engine delivers impressively on maximum fuel efficiency and good driving performance. With a power output of 120 kW (163 hp), it accelerates to 100 km/h in 7.9 seconds and has a fuel consumption of only 3.9–4.3 l/100 km. CO<sub>2</sub> emissions are just 102–113 g/km and only 99–109 g/km in conjunction with the optional 8-speed Steptronic transmission.

#### ENGINE.

**BMW TwinPower Turbo technology** gives the latest generation of the BMW EfficientDynamics engine range significantly more agile power delivery, as well as more spontaneous responsiveness even at low engine speeds. These engines are also fuel efficient, low in emissions and generally more efficient, delivering better dynamics and greater driving pleasure.

**BMW eDrive** technology combines the best of both worlds in a BMW iPerformance model: purely electric, locally emission-free driving (e.g. in urban areas), along with a dynamic driving performance and a great possible range. Intelligent energy management controls interactions between the electric motor and the combustion engine, deploying both with impressive efficiency.

#### VEHICLE CONCEPT.

Intelligent lightweight construction at BMW means using the right material for the right parts of the vehicle. For every single component, the most suitable material is selected. This philosophy, also known as **BMW EfficientLightweight**, is now integral to BMW EfficientDynamics and applied to every BMW.

Thanks to targeted **aerodynamic measures**, every BMW boasts excellent air resistance figures. This has a positive impact on efficiency and driving stability, and reduces the level of noise in the interior. These features include the flat undercarriage cover and the Air Curtain in the front apron.

#### ENERGY MANAGEMENT.

The **ECO PRO mode** helps drivers reduce their fuel consumption by up to 20 per cent<sup>1</sup>, depending on their driving style. The "coasting" function (only with Steptronic transmission), the Route-ahead assistant (only with Navigation system Professional) and ECO PRO route (in combination with Navigation system Professional or Business) make it possible to save a further five per cent.

The **Automatic Start/Stop function** switches off the engine when the vehicle comes to a temporary standstill (e.g. at traffic lights or in a traffic jam) to further reduce overall fuel consumption. When the driver presses down on the clutch (manual transmission) or takes their foot off the brake (Steptronic transmission), the engine automatically starts up again in a fraction of a second.

The **Servotronic** adjusts the power steering to suit the current speed and ensures a direct and precise steering response even at high speeds. It also ensures supreme comfort by minimising the physical effort required for steering, as well as maximising agility when parking, manoeuvring or navigating narrow and twisting roads.

<sup>1</sup> Determined in an internal BMW fuel consumption study.

# BMW ConnectedDrive

## So connected, you're free.

Our world is becoming more closely connected every day. And for BMW drivers it goes without saying that they can request information, communicate via telephone or email and always be up to date – all while they're on the go. The BMW ConnectedDrive<sup>1</sup> concept encompasses all the services and innovative technologies that link BMW vehicles and their passengers to the outside world and surrounding traffic.

The equipment option **ConnectedDrive Services\*** forms the basis for BMW ConnectedDrive functions, which provide the driver with a wide range of information, entertainment and service features while on the road.

The offer includes access to current location-based information such as weather and news, as well as an online search powered by Google™ and practical office functions. Services and features such as parking information, as well as travel and hotel guides can be accessed directly in the car without a smartphone via the ConnectedDrive menu.

Convenient, secure and unlimited access to selected smartphone apps is also integrated. ConnectedDrive Services also provides access to the **BMW ConnectedDrive Store**, in which services and apps can be ordered and extended anytime and anywhere to suit the user's individual requirements. The equipment option ConnectedDrive Services offers all this and more, making every trip in a BMW a real experience.

BMW ConnectedDrive with its intelligent services and assistance systems is ready with all the right equipment. **BMW ConnectedDrive Services & Apps** offer more freedom by providing versatile connections between the driver, vehicle and the outside world. **BMW ConnectedDrive Driver Assistance systems** make driving a BMW safer and more comfortable. And intelligent systems make life easy for the driver and minimise the dangers of traffic.

The optional full-colour **BMW Head-Up Display<sup>2</sup>** projects information relevant to the journey directly into the driver's field of vision, thereby allowing them to fully concentrate on driving. The display includes information such as the current speed, navigation directions, Speed Limit Info incl. no-overtaking indicator, along with telephone and entertainment lists.

The optional **Driving Assistant<sup>3</sup>** combines the Lane Departure Warning and Approach control warning systems. When travelling at speeds between 10 and 60 km/h, the Approach control and Person warning with light city braking function issues a warning if there is a risk of collision with vehicles or pedestrians, and brakes the vehicle in the event of an emergency. When going above approx. 70 km/h, the Lane Departure Warning draws the driver's attention to an unintentional lane change by means of slight vibrations in the steering wheel.

The **Intelligent emergency call\***, included as standard, automatically establishes a connection with the nearest rescue coordination centre through the BMW call centre whenever needed – without the use of a mobile phone. It transmits information regarding the vehicle's current location and the severity of the accident. The Intelligent emergency call can also be triggered manually in case other road users require help, for example.

\* May not be available in all countries. Please consult your BMW partner.

<sup>1</sup> For further information on BMW ConnectedDrive, please visit [www.bmw.com/connecteddrive](http://www.bmw.com/connecteddrive)

<sup>2</sup> The information in the BMW Head-Up Display is not fully visible when wearing polarised sunglasses. Functionality shown is dependent on equipment.

<sup>3</sup> Further optional equipment is required for additional displays.

<sup>4</sup> This function can be limited by darkness and fog.

## Chassis.

A solid foundation for superior driving dynamics.

An ideal **axle load distribution** of 50:50 helps ensure great directional stability, agile handling and a precise steering response. A lower centre of gravity, along with a long wheelbase with short overhangs, generates optimal conditions for these positive driving characteristics.

The intelligent **BMW xDrive all-wheel drive system** adapts perfectly to even the most challenging road surface conditions, ensuring optimal traction at all times. xDrive and Dynamic Stability Control (DSC) ensure that the BMW remains safe and stable. Controlled via the DSC sensor system, xDrive flexibly and quickly distributes drive power between the axles in order to prevent oversteer or understeer on bends, thereby ensuring outstanding directional stability. Moreover, it guarantees a rapid, safe acceleration even on slippery or steep stretches. In critical road conditions, the DSC doesn't need to intervene as much. Thus, BMW xDrive combines all the advantages of an all-wheel drive system – traction, directional stability and driving safety – with classic BMW agility.

The **Standard running gear** offers a high level of precision, agility and suspension comfort. This is made possible by a double-joint spring-strut front axle made of aluminium and a sophisticated five-arm rear axle, along with particularly precise tuning.

The optional **Adaptive M suspension** can be electronically adjusted at any time to suit the road and driving conditions. The driver can also adjust the suspension characteristics via the Driving Experience Control to enable their preferred driving style at the time – from comfortable to extremely athletic with markedly agile handling.

The optional **Variable sport steering** with Servotronic creates a direct and agile steering response and ensures less physical effort is required to turn the wheel. It reacts to the angle of the steering wheel with varying steering ratios. This improves handling when driving more dynamically and reduces the effort needed to steer when parking and turning.

The hallmark BMW **Rear-wheel drive** ensures excellent unimpaired steering precision due to the fact that the front axle is not affected by any form of torque steer with this type of drive. Furthermore, the dynamic axle load distribution associated with a Rear-wheel drive ensures great traction when accelerating from a standstill.

## Safety.

Unparalleled safety with the latest BMW technology.

□ **Active Protection** warns the driver if it detects signs of tiredness, intervenes in critical situations and brakes the car to a standstill after an accident.

■ **Airbags for the driver and front passenger** as well as head and side airbags provide strategic protection. The extremely rigid passenger cell provides the best possible passive safety in the event of a front, side or rear collision.

□ The low-set<sup>1</sup> **Adaptive suspension** with variable damper control allows the driver to choose between comfortable or dynamic suspension settings. This ongoing adaptation to the driving situation also increases safety.

■ The **Dynamic Stability Control (DSC)** recognises any risk of skidding and stabilises the vehicle.

□ **Adaptive LED headlights** provide significantly better illumination and visibility than conventional systems in every driving situation.

□ **Active cruise control with Stop&Go function<sup>2</sup>** maintains a preselected speed, as well as the distance to the driver ahead.

<sup>1</sup> Low-set suspension not available in combination with xDrive. Not available for BMW 330e iPerformance.

<sup>2</sup> Only available in combination with Steptronic transmission.

Optional and standard equipment vary according to country.

# INDIVIDUALITY AND ADAPTABILITY.

**EQUIPMENT:** BMW Lines and M Sport package, BMW Saloon with eDrive, BMW Individual, equipment highlights, wheels and tyres and Original BMW Accessories.

**COLOURS:** Exterior and interior colours.

**TECHNICAL DATA:** Weight, engine, transmission, performance, fuel consumption, wheels and dimensioned drawings.

**BMW SERVICE:** BMW Service, BMW Financial Services and the BMW brand experience.

# BASE MODEL.

■ Standard equipment □ Optional equipment

A real all-rounder, the BMW 3 Series comes with a wide range of standard equipment. Here's a selection of what's provided.

## Base model equipment:

- BMW kidney grille featuring eleven exclusively designed slats in Black
- 16" steel wheels with full-size wheel covers, alternatively 16" light alloy wheels V-spoke style 390<sup>1</sup> or 17" light alloy wheels V-spoke style 395<sup>2</sup>
- Trim on the side window frames, window recess finishers, B-pillar and mirror base in Black matt
- Tailpipe trim in Chrome
- Halogen headlights with LED daytime running lights
- LED rear lights with indicators and brake lights in LED technology
- Seats in Move cloth
- Leather steering wheel incl. multifunction
- Air conditioning and radio control unit with Pearl Chrome detailing
- Interior trim finishers in Satin Silver matt
- Centre console with surface in Black high-gloss
- Armrest front

02 □

01 □

**[ 01 | 02 ]** The BMW 320d Saloon in the optional Black Sapphire metallic exterior colour with the standard 17" light alloy wheels V-spoke style 395<sup>2</sup>.

03 ■

**[ 03 ]** The standard leather steering wheel with multifunction buttons has a pleasant feel, and high-class workmanship creates a premium ambience in the interior.

04 ■

**[ 04 ]** The standard Move cloth upholstery in Anthracite combined with Satin Silver matt interior trim. The BMW 3 Series includes numerous storage compartments as standard, such as door compartments big enough to hold 1.0-litre bottles.

05 □

**[ 05 ]** 17" light alloy wheels V-spoke style 395<sup>2</sup>, 7.5 J x 17 with 225/50 R 17 tyres.

<sup>1</sup> Standard on the 320i, 320i xDrive, 320d, 320d xDrive, 320d EfficientDynamics Edition and 330e iPerformance.  
<sup>2</sup> Standard on the 330i, 330i xDrive, 340i, 340i xDrive, 325d, 330d, 330d xDrive and 335d xDrive.

# LUXURY LINE.

■ Standard equipment □ Optional equipment

## Luxury Line interior equipment:

- Door sill finishers in aluminium, with BMW designation
- Seats in Leather „Dakota“ Saddle Brown with extended features in Brown and Brown accent; other upholsteries available
- Sport leather steering wheel
- Car key with Chrome detailing
- Air conditioning and radio control unit with Pearl Chrome detailing
- Interior trim finishers in fine-wood trim „Fineline“ Anthracite with accent in Pearl Chrome, the exclusive accent is extended to the doors and in the rear; other trims available
- Orange or white variable Ambient light
- B-pillar illumination
- Lights package
- 2-zone Automatic air conditioning with extended features

## Luxury Line exterior equipment:

- BMW kidney grille with eleven exclusively designed vertical slats with front sides in Chrome high-gloss
- Front bumper with specific design elements in Chrome high-gloss
- 17" light alloy wheels Multi-spoke style 414, or alternatively
- 18" light alloy wheels Multi-spoke style 416 Bicolour; other wheels also available
- "Luxury Line" designation on the side
- Trim on the side window surrounds and window recess finishers in Chrome, B-pillar in Black high-gloss
- Rear bumper with specific design elements in Chrome high-gloss
- Tailpipe trim strip in Chrome

01 ■

03 ■

<sup>1</sup> Only available with interior colour Black.

<sup>2</sup> M Sport suspension not available in conjunction with xDrive.

<sup>3</sup> Low-set suspension not available in combination with xDrive. Not available for BMW 330e iPerformance.

Optional and standard equipment vary according to country.

# THE BMW 3 SERIES SALOON PLUG-IN HYBRID.

**i**PERFORMANCE

As a plug-in hybrid, the BMW 330e iPerformance Saloon combines a 135 kW (184 hp) BMW TwinPower Turbo 4-cylinder petrol engine with a 65 kW (88 hp) electric motor, for a system output of 185 kW (252 hp). Intelligent energy management coordinates all of the conventional BMW drive components with the efficient BMW eDrive technology. Depending on the battery's charging status and the amount of power required, the electric motor can drive the vehicle by itself, or support the internal combustion engine. During coasting and braking it is even able to convert kinetic energy into electrical energy that is then fed into the high-voltage lithium-ion battery. Driven by electric power alone, the vehicle has a range of up to 40 km, with an all-electric top speed of 120 km/h. Combined fuel consumption is 1.9–2.1 litres/100 km with CO<sub>2</sub> emissions of 44–49 g/km. At home, the vehicle can be recharged from a normal mains socket or, for added convenience, from a BMW i Wallbox. In addition, there are also many public charging stations.

■ Standard equipment □ Optional equipment

The BMW 330e iPerformance Saloon in the optional Glacier Silver metallic exterior colour with Luxury Line and the optional 18" light alloy wheels Turbine style 415.

**[ 01 ]** The eDrive button allows the driver to choose between three different electric drive modes: AUTO eDrive (standard), MAX eDrive or SAVE BATTERY.

**[ 02 ]** Special front door sill finishers with eDrive lettering and blue background indicate this vehicle's highly efficient drive concept.

**[ 03 ]** The car's charging port for recharging the high-voltage lithium-ion battery from an external power source is located behind a flap on the front left side panel. A special seal protects the socket from the environment.

**[ 04 ]** 16" light alloy wheels V-spoke style 390, 7 J x 16 with 205/60 R 16 tyres.

**[ 05 ]** The luggage compartment has a level floor, with the high-voltage lithium-ion battery tucked away below. The optional 40:20:40-split rear backrest makes for maximum flexibility.

**[ 06 ]** In the MAX eDrive mode – the purely electric mode – the electric drive provides the maximum output.

# BMW Individual

The expression of personality.

BMW Individual paint finish Champagne Quartz metallic and 19" BMW Individual light alloy wheels V-spoke 626 I.

## The BMW 3 Series Saloon. Inspired by BMW Individual.

□ Driving a BMW is, in itself, a mark of character. There are those who still, however, want their vehicles to be even more individual reflections of their personality. The BMW Individual Collection and the BMW Individual Manufaktur meet these needs by opening up seemingly limitless opportunities for differentiation.

Precisely in tune with each model, the BMW Individual Collection offers a highly exclusive selection of equipment options. Fascinating paint finishes either refracting the light or with a matt effect. Leather, unique in colour and scope of application, perfected with clever contrasts and decorative stitching. Interior trims in the most exclusive fine woods, the immaculate Piano finish and the finest leather.

And yet even this can be surpassed – thanks to the BMW Individual Manufaktur. Here, there is only one goal: realising almost any customer request, even the most personal, with stylish, hand-crafted perfection.

BMW Individual interior trim Piano finish Black and leather-covered instrument panel.

BMW Individual extended fine-grain Merino leather in Cashmere Beige, leather-covered instrument panel and interior trim Piano finish Black.

EXPERIENCE BMW INDIVIDUAL INTERACTIVE.  
WITH THE BMW INDIVIDUAL APP FOR iOS AND ANDROID.

## EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

**[ 01 ]** All the lights in the LED headlights feature LED technology. They radiate a particularly bright light and consume little energy. The indicator is positioned above the light tubes.

**[ 02 ]** The rear lights with their characteristic "L" shape and lighting elements in full LED technology identify the vehicle as a BMW even in the dark.

**[ 03 ]** The low-set<sup>1</sup> Adaptive M suspension with variable damper control allows the driver to choose between comfortable or sporty suspension settings.

**[ 04 ]** Tailpipe trim in Chrome for all engine variants; Black Chrome with Sport Line. The number of tailpipes depends on the engine selected.

**[ 05 ]** The Adaptive LED headlights and BMW Selective Beam provide significantly better illumination. The LED fog lights increase safety in bad weather.

**[ 06 ]** The roof rails<sup>3</sup> in satinated Aluminium provide the base for a multifunctional BMW roof rack unit.

**[ 07 ]** The comfort access system allows passengers to enter the car via the front doors and open the tailgate without having to actively use the key.

**[ 08 ]** The Glass roof<sup>2</sup>, electrical with a slide and lift function, allows passengers to regulate the air flow rate according to their individual preference, while ensuring draught-free ventilation and a minimum of wind noise.

**[ 09 ]** The Panorama glass roof<sup>2</sup> with electrically adjustable sunshade not only ensures that both the front and rear have an abundance of light, but also comes with a slide and lift function.

**[ 10 ]** BMW Individual leather-covered instrument panel (XT1), upper section and upper-arm trim panels in Walknappa leather in the interior colour. Instrument panel bottom in fine-grain Merino leather in the BMW Individual upholstery colour.

**[ 11 ]** The automatic air conditioning with two-zone control includes Automatic Air Recirculation (AAR) with an active carbon filter, as well as fogging and solar sensors.

**[ 12 ]** M Leather steering wheel including multifunction buttons, steering wheel rim in leather 'Walknappa' Black with contoured thumb rests.

**[ 13 ]** The black Sport leather steering wheel with black stitching, a thick rim and contoured thumb rests has an exceptionally pleasant feel.

**[ 14 ]** The electrical seat adjustment is easy to use and the memory function allows users to save their preferred settings for the seat and exterior mirrors.

**[ 15 ]** BMW Individual fine-grain leather steering wheel, modelled on the Sport leather steering wheel, with superior-quality leather and a thicker wheel rim.

**[ 16 ]** Cupholders in front of the gear lever and many other handy storage trays and compartments.

**[ 17 ]** The 8-speed Steptronic Sport transmission enables automatic gear selection as well as manual shifting via the gearshift paddles or gear lever.

**[ 18 ]** The Lights package features numerous LED lights both inside and outside for increased convenience and creates a stylish look for the interior.

<sup>1</sup> Low-set suspension not available in combination with xDrive. Not available for BMW 330e iPerformance.

<sup>2</sup> Only available for the BMW 3 Series Saloon.

<sup>3</sup> Only available for the BMW 3 Series Touring.

## EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

**[ 01 ]** The Lane Change Warning alerts the driver during lane changes if there is a vehicle in the driver's blind spot or approaching on the adjacent lane, using a visual signal and vibrations of the steering wheel.

**[ 02 ]** Active cruise control with Stop&Go function<sup>1</sup> maintains a preselected speed, as well as the distance to the driver ahead.

**[ 03 ]** Navigation system Business: with iDrive Controller, built-in 6.5" LCD colour display and three years of complimentary map updates.

**[ 04 ]** Surround View is a visual parking aid with the camera-based functions Top View, Side View and Rear view camera.

**[ 05 ]** The full-colour BMW Head-Up Display<sup>2</sup> projects information relevant to the journey directly into the driver's field of vision.

**[ 06 ]** Navigation system Professional, incl. hands-free facility, USB interface, radio Professional with DVD player, and map updates without licence fees.<sup>3</sup>

**[ 07 ]** The Parking assistant makes parking parallel and perpendicular to the road easier. It does the steering while the driver remains in control of the accelerator, brake and gears.

**[ 08 ]** Front and rear Park Distance Control (PDC) makes parking and manoeuvring in tight spaces much easier.

**[ 09 ]** The Driving Assistant safety equipment draws the driver's attention to an unintentional lane change or possible collision<sup>4</sup> and brakes automatically in the event of an emergency.

**[ 10 ]** Online Entertainment<sup>5</sup> offers direct and unlimited access to millions of tracks in the BMW.

**[ 11 ]** Preparation for Apple CarPlay<sup>®</sup> supports the convenient and secure wireless use of an iPhone<sup>®</sup> via the vehicle's user interface.

**[ 12 ]** Enhanced telephony with extended smartphone connectivity allows mobile phones to be connected to the vehicle via Bluetooth<sup>®</sup> and used with a hands-free facility.

**[ 13 ]** Harman Kardon surround sound system with 600-watt digital amplifier, vehicle-specific equalising and loudspeakers with chrome detailing.

**[ 14 ]** Contactless opening<sup>7</sup> of the tailgate with a quick wave of the foot under the rear bumper (part of the Comfort access system).

**[ 15 ]** The through-loading system with rear seat backrests, which are divisible in a 40:20:40 ratio, guarantees flexibility when transporting people and objects (standard on BMW 3 Series Touring).

**[ 16 ]** The trailer tow hitch with electronically adjustable tow ball (not visible) and stability control is capable of pulling heavy loads of up to 1,800 kg.

**[ 17 ]** With tinted rear and rear side windows, the sun protection glazing reduces unwanted warming of the interior.

**[ 18 ]** The Storage compartment package encompasses a range of practical additional compartments, along with a 12 V power socket in both the centre console in the rear and in the luggage compartment.

<sup>1</sup> Only available in combination with Steptronic transmission.

<sup>2</sup> The information in the BMW Head-Up Display is not fully visible when wearing polarised sunglasses. Functionality shown is dependent on equipment. Further optional equipment is required for additional displays.

<sup>3</sup> Requires ConnectedDrive Services and Navigation system Professional.

<sup>4</sup> This function can be limited by darkness and fog.

<sup>5</sup> For information on the Bluetooth compatibility of smartphones and other mobile devices please visit [www.bmw.com/bluetooth](http://www.bmw.com/bluetooth)

<sup>6</sup> The BMW 3 Series Touring also benefits from contactless closing of the tailgate.

<sup>7</sup> The BMW 3 Series Touring also benefits from contactless closing of the tailgate.

## WHEELS AND TYRES.

**[ 01 ]** 18" light alloy wheels Turbine style 415, 8 J x 18 with 225/45 R 18 tyres.

**[ 02 ]** 19" BMW Individual light alloy wheels V-spoke style 626 I with mixed tyres, front 8 J x 19 with 225/40 R 19 tyres, rear 8.5 J x 19 with 255/35 R 19 tyres.

**[ 03 ]** 19" BMW Individual light alloy wheels V-spoke style 439 I with mixed tyres, front 8 J x 19 with 225/40 R 19 tyres, rear 8.5 J x 19 with 255/35 R 19 tyres.

**[ 04 ]** 17" light alloy wheels V-spoke style 413, 7.5 J x 17 with 225/50 R 17 tyres.

**[ 05 ]** 18" light alloy wheels V-spoke style 398 with mixed tyres, front 8 J x 18 with 225/45 R 18 tyres, rear 8.5 J x 18 with 255/40 R 18 tyres.

**[ 06 ]** 17" light alloy wheels Star-spoke style 393, 7.5 J x 17 with 225/50 R 17 tyres.

**[ 07 ]** 19" light alloy wheels Star-spoke style 407 with mixed tyres, front 8 J x 19 with 225/40 R 19 tyres, rear 8.5 J x 19 with 255/35 R 19 tyres.

**[ 08 ]** 18" light alloy wheels V-spoke style 658 with mixed tyres, front 8 J x 18 with 225/45 R 18 tyres, rear 8.5 J x 18 with 255/40 R 18 tyres.

**[ 09 ]** 16" light alloy wheels V-spoke style 656, 7 J x 16 with 225/55 R 16 tyres.

**[ 10 ]** 16" light alloy wheels turbine style 406, BMW EfficientDynamics, aerodynamically optimised, Orbit Grey, gloss-lathed, 7 J x 16 with 205/60 R 16 tyres.

## ORIGINAL BMW ACCESSORIES.

**[ 01 ]** Lockable racing bike holder made of high-strength aluminium, for secure transport of racing bikes using a quick-clamping system. A separate front wheel holder is also available.

**[ 02 ]** Made-to-measure protection against moisture, dirt and wetness in the front footwell. The black design perfectly complements the interior.

**[ 03 ]** These elegant door sill finishers with illuminated BMW lettering automatically bathe the door openings into a discreet light as soon as the doors are opened.

**[ 04 ]** Snap-in adapter for Apple iPhone™ 6 enables safe storage, quick charging, music playback and cover art display.

**[ 05 ]** Forged 20" light alloy wheels in bi-colour matt Black, milled. Complete RDC wheel set with mixed runflat tyres, front 8 J x 20, rear 8.5 J x 20.

**[ 06 ]** Premium 20" light alloy wheels in bi-colour Orbit Grey, forged and burnished, lend the vehicle a particularly sporty appearance.

**[ 07 ]** Infant car seat with patented air pads for children under approx. 13 kg (approx. 15 months). To be used in combination with the separately available ISOFIX base, or with one of the safety belts.

<sup>1</sup> The figure quoted includes a 90 per cent tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

<sup>2</sup> The overall weight of the trailer must not exceed the maximum permissible trailer load, taking into account the maximum permissible towbar download (75 kg).

<sup>3</sup> Electronically limited.

<sup>4</sup> BMW recommends the use of RON 95 super unleaded fuel. Engines may be run on lower-grade unleaded fuel (minimum RON 91) with a maximum ethanol content of 10 per cent (E10).

<sup>5</sup> All engines comply with the EU6 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one-third urban traffic and two-thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured in addition to fuel consumption. Optional equipment may increase these figures. Fuel consumption and CO<sub>2</sub> emissions are dependent on the selected wheel and tyre size.

<sup>6</sup> Energy consumption depends on the selected wheel and tyre size.

<sup>7</sup> Range depends on various factors including personal driving style, route characteristics, external temperature and use of the heating/air conditioning during or prior to the drive.

<sup>8</sup> Depends on local electricity infrastructure. Charging duration is for a charge corresponding to 100% of the maximum capacity.

<sup>9</sup> Torque for 320i xDrive with manual transmission and Steptronic transmission: 270 Nm.

Figures in [ ] apply to vehicles with Steptronic transmission.

\* Height with roof aerial is 1428–1446 mm, depending on the model.

<sup>1</sup> The figure quoted includes a 90 per cent tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

<sup>2</sup> The overall weight of the trailer must not exceed the maximum permissible trailer load, taking into account the maximum permissible towbar download (75 kg).

<sup>3</sup> BMW recommends the use of RON 95 super unleaded fuel. Engines may be run on lower-grade unleaded fuel (minimum RON 91) with a maximum ethanol content of 10 per cent (E10).

<sup>4</sup> Electronically limited.

<sup>5</sup> All engines comply with the EU6 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one-third urban traffic and two-thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured in addition to fuel consumption. Optional equipment may increase these figures. Fuel consumption and CO<sub>2</sub> emissions are dependent on the selected wheel and tyre size.

<sup>6</sup> Torque for 320i xDrive with manual transmission: 270 Nm.

Figures in [ ] apply to vehicles with Steptronic transmission.

\* Height with roof aerial is 1449–1467 mm, depending on the model.

## WELL TAKEN CARE OF WITH BMW SERVICES:

When you buy a BMW, you can look forward to superb service and comprehensive customer care. For example, the **Condition Based Service** independently tracks both service fluid levels and the condition of parts subject to wear and then notifies you in the display when the vehicle requires servicing. So you only need to go to your BMW service partner when it's really necessary. When you do go, our

**qualified BMW service specialists** take care of your vehicle using the newest workshop technology and only **original BMW parts**. This service is available worldwide in more than 3,300 BMW service partner establishments in over 150 countries, to provide you with limitless driving pleasure.

### BMW SERVICE.

**BMW Service Packages\*:** Individual and stress-free, just for you. Individual, well-thought-out servicing solutions carefully tailored to you and your vehicle. With one-off, predictable costs, BMW Service Packages give you complete peace of mind, so you can enjoy owning a BMW to the very fullest. Whether it's fresh from the showroom or already well-travelled – there's a BMW Service Package for every phase of your vehicle's life. All bringing you maximum quality, expertise and value retention, always at reasonable, transparent rates. And always carefully tailored to you and your BMW. Find out just how stress-free truly individual service can be!

[www.bmw.com/serviceinclusive](http://www.bmw.com/serviceinclusive)

**BMW Mobile Service\*:** This service is there for you day and night. As soon as you call, we spring into action, and take care of everything that may need doing after an accident or breakdown, with specially trained technicians working – on site or via telephone – to get your car back on the road. We offer comprehensive, country-specific mobility packages for breakdowns, and insurance that covers you in the event of an accident or theft. So if anything untoward does happen, simply call up the BMW accident hotline and we'll go to work. We'll take care of calling the emergency services, a tow truck, a replacement car, notifying your insurance company and much more. For further information please visit [www.bmw.com](http://www.bmw.com)

**BMW TeleServices\*:** With Condition Based Service, you'll be automatically reminded of your next necessary service appointment on the vehicle screen. Provided you've consented, key vehicle data will be relayed to BMW automatically for analysis. Your assigned BMW service partner will access the information and contact you free of charge to make a service appointment as and when necessary. To access BMW Teleservices, the vehicle must be equipped with the optional Intelligent Emergency Call or ConnectedDrive Services. The service can be deactivated at any time you so desire, and you can change your service partner in the iDrive menu or ConnectedDrive portal. Find out more at [www.bmw.com/teleservices](http://www.bmw.com/teleservices)

### BMW FINANCIAL SERVICE.

**BMW Financial Services\*:** Mobility solutions to meet your needs. BMW Financial Services provides you with attractive leasing, finance and insurance options. To find out more, see the price list or go to [www.bmwfs.com](http://www.bmwfs.com). Your BMW partner will also be glad to draw up an individual offer for you in person.

### THE BMW EXPERIENCE.

**BMW TV\*:** [www.bmw.tv](http://www.bmw.tv) enables you to experience the BMW brand in all its diversity. Features, portraits and background reports provide you with information on automobiles, innovations, sports and lifestyle topics.

**BMW Driving Experience:** The better you control your BMW, the more enjoyment you will derive from driving it. Use our training courses to learn for yourself what it means to reach a car's physical limits on various types of surfaces, and what you have to do to control your vehicle even in extreme situations. For further information please visit [www.bmwdrivingexperience.com](http://www.bmwdrivingexperience.com)

**BMW Welt:** Picking up a car at BMW Welt has always ranked among the best moments for any driver. Turn this moment into one whole unforgettable day: experience the handover of your new BMW as just one part of a programme of activities perfectly tailored to your interests. At BMW Welt, the BMW Group plant, the BMW Museum, the BMW Group headquarters and the BMW Group Classic all combine to provide you with a great experience of an exciting history, a breathtaking present – and spectacular visions for the future. Find out more at [www.bmw-welt.com/en](http://www.bmw-welt.com/en)

**BMW Magazine:** In BMW Magazine, experience the newest BMW models in front of stunning backdrops. Discover new design trends, travel destinations and the richness of modern life. Encounter people with visionary ideas who are changing the world. Find out more at [www.bmw.com/magazine](http://www.bmw.com/magazine)

## SHAPING THE FUTURE – RESPONSIBLY.

In 2015, the BMW Group was once more listed in the Dow Jones Sustainability Index as the most sustainable automotive company worldwide. This makes BMW Group the only company in the automotive industry to be listed without interruption since the index was established. The development of efficient vehicle concepts and environmentally friendly production processes, including recycling, is an integral part of our philosophy. BMW EfficientDynamics and electric vehicles have enabled us to cut CO<sub>2</sub> emissions from our European new-vehicle fleet by more than 40% since 1995. We have also reduced the amount of resources used in production, such as water and energy, by 34% between 2006 and 2015, with a reduction to 45% of previous levels aimed at for 2020. In terms of other resources (such as volatile organic compounds, process wastewater and waste) our 45% target was met in 2014, and we will continue to work on further improvement. Production at our engine plant in Steyr has been waste-water free since 2007. And of course, at the end of its service life, every one of our vehicles can be easily and economically recycled. To return your end-of-life vehicle, please contact your BMW partner. For more information on this issue please visit our website.
